Facilities designated to serve as Special Needs Shelters provide limited support to persons with special health needs. Special health needs evacuees must either be capable of taking care of their own needs or be accompanied by a caregiver.

Pet Friendly Shelters are co-located with some general population shelters. Household pets entering a pet friendly shelter must be caged for safety and owners should provide water and food for their pets.

S = Special Needs + General Population
P = Pet Friendly + General Population
S/P = Special Needs + Pet Friendly + General Population

State of Hawaii Public Emergency Shelters

READ ME FIRST!

Public Emergency Shelters may not be open during evacuations for a Tsunami WARNING.

Your local civil defense or emergency management agency will provide locations of tsunami evacuation centers or assembly areas through local media.
